

SBE NEWS ALERT

Best Projects Winners Revealed for Northern California

By Scott Blair

The judging for ENR California's Best Projects 2014 has nearly wrapped up, and we can reveal all the winners except for the Safety Award of Excellence, which is juried by a separate group of safety experts.

The winners listed below are for projects located in Northern California and select Hawaii projects. A separate announcement will reveal the Southern California winners. All of these projects will be profiled in depth in the Dec issue of ENR California, and at two awards presentations in December – one in San Francisco on Dec. 2 and one in Long Beach on Dec. 4. (see below for more info).

This year the number of entries jumped by 40% from the previous year, so our judges had their hands full reviewing and discussing nearly 140 projects located throughout California and Hawaii. This year we had 12 judges from all walks of the industry who were split up into three groups and assigned categories that fit in within their areas of expertise. The judges were amazed at the number of outstanding projects this year. Unfortunately, we can only honor a fraction of the projects that are submitted each year, so if your project didn't win this year, please be sure to submit next year!

Our judges will select a Project of the Year from the Best Projects listed below – we'll announce that winner in our Dec. issue and at the banquet.

Due to the overwhelming participation from the construction community in the awards again this year, we are thrilled to host two banquets to honor the winners. Be sure to mark your calendars to meet and congratulate all of the project teams.. On Dec. 2, we will hold a breakfast awards ceremony at the InterContinental San Francisco Hotel, where project teams in the northern half of California will be honored. For more information, visit <http://construction.com/events/2014/best-projects/san-francisco.asp>

On Dec. 4, we'll celebrate the winning teams for projects located in the southern half of California, at the Marriott Long Beach, during a breakfast banquet. For more information, visit <http://construction.com/events/2014/best-projects/long-beach.asp>

Also at the banquets, we will also take the opportunity to honor the firms that were selected throughout the year as our Owner, Design Firm, Contractor and Specialty Contractor of the Year. The winners this year were L.A. Metro, HOK, Webcor Builders and California Drywall. Hope to see you there!

Public Legal Notices

CITY & COUNTY OF SAN FRANCISCO
DEPARTMENT OF PUBLIC WORKS

Contract No. 2473J
(ID No. FCE15021)

VARIOUS LOCATIONS PAVEMENT PRESERVATION FY 2014-2015 NO. 2

Sealed bids will be received at 1155 Market Street, 4th Floor, San Francisco, California 94103 until **2:30 p.m. on November 5, 2014**, after which they will be publicly opened and read. Digital files of Bid Documents, Plan Holders Lists, and Addenda may be downloaded at no cost from the Department of Public Works (DPW) Electronic Bid Documents Download site at www.sfdpw.org/biddocs, or purchased on a CD format from 1155 Market Street, 4th Floor, San Francisco, California 94103, telephone 415-554-6229, for a non-refundable \$15.00 fee paid by cash or check to "Department of Public Works". Please visit the DPW's Contracts, Bid Opportunities and Payments webpage at www.sfdpw.org for more information. Notices regarding Addenda and other bid changes will be distributed by email to Plan Holders.

The Work is located on various street locations throughout San Francisco and consists of pavement preservation using type 2 and type 3 micro-surfacing, traffic routing, temporary pavement markings, and all associated work. The time allowed for completion is 90 consecutive calendar days. The Engineer's estimate

is approximately \$1,250,000. For more information, contact the Project Manager, Ramon Kong at 415-554-8280.

This Project shall incorporate the required partnering elements for **Partnering Level 1**. Refer to Section 01 31 33 for more details.

Pursuant to San Francisco Administrative Code (SFAC) Section 6.25, "Clean Construction" is required for the performance of all work.

The Specifications include liquidated damages. Contract will be on a Lump Sum Bid Items With Unit Prices basis. Progressive payments will be made.

Bid discounts may be applied as per SFAC Chapter 14B. Subcontracting goal is **12% LBE**. Call James Soncuya at 558-4080 for details. In accordance with SFAC Chapter 14B requirements, all bidders, except those who meet the exception noted below, shall submit documented good faith efforts with their bids and must achieve 80 out of 100 points to be deemed responsive. Bidders will receive 15 points for attending the pre-bid conference. Refer to CMD Form 2B for more details. Exception: Bidders who demonstrate that their total LBE participation exceeds the above subcontracting goal by 35% will not be required to meet the good faith efforts requirements.

A pre-bid conference will be held on October 22, 2014; 1:00 p.m., at 1680 Mission Street, 4th Floor.

For information on the City's Surety Bond Program, call Jennifer Elmore at (415) 217-6578.

A corporate surety bond or certified check for ten percent (10%) of the amount bid must accompany each

bid. SFAC Sec. 6.22(A) requires all construction greater than \$25,000 to include performance and payment bonds for 100% of the contract award.

Class "A" license required to bid.

In accordance with San Francisco Administrative Code Chapter 6, no bid is accepted and no contract in excess of \$400,000 is awarded by the City and County of San Francisco until such time as the Mayor or the Mayor's designee approves the contract for award, and the Director of Public Works then issues an order of award. Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

Minimum wage rates for this project must comply with the current General Prevailing Wage as determined by the State Department of Industrial Relations. Minimum wage rates other than applicable to General Prevailing Wage must comply with SFAC Chapter 12P, Minimum Compensation Ordinance.

This Project is subject to the requirements of the San Francisco Local Hiring Policy for Construction ("Policy") as set forth in Section 6.22(G) of the SFAC. Bidders are hereby advised that the requirements of the Policy will be incorporated as a material term of any contract awarded for the Project. Refer to Section 00 73 30 of the Project Manual for more information.

Right reserved to reject any or all bids and waive any minor irregularities
