

## SBE NEWS ALERT

# Keeping SCORE: 10 ½ Million Entrepreneurs Served

**By Maria Contreras Sweet,**  
SBA Administrator

For half a century, thousands of seasoned American executives and retired business owners have provided pro bono consulting services to 10 ½ million American entrepreneurs. These volunteers aren't in it for money, fame or glory. They give back because they've accumulated a lifetime's worth of expertise and have chosen to share what they've learned to give back to their community and their country.

Today, I had the chance to address the national conference of SCORE to celebrate the 50th anniversary of this exceptional corps of volunteer business mentors.

Nationwide, more than 11,000 SCORE mentors serve communities in every state in the union. One of my most important jobs as SBA Administrator is to spread the word that high-quality, free business consulting is available to assist new entrepreneurs who are starting up and existing small business owners who are scaling up.

The men and women of SCORE provide sage wisdom at every stage of the life cycle of a small business. They help with business plan writing and get their clients lender-ready to succeed in obtaining that all-important first loan. SCORE helps small businesses manage their revenue, handle their cash flow and market themselves to build their customer base.

Once entrepreneurs clear that make-or-break, two-year window that often determines whether their business will sink or swim, SCORE mentors help them staff up, expand their operations, secure government and corporate contracts, go global, and even devise an exit strategy once their dreams have been achieved.

SCORE mentors help truly small businesses that may not attract the attention of for-profit consultants. Whether it's a sole proprietor day-care service – or a future powerhouse during its infancy, like Babies R' Us – SCORE specializes in helping companies go from small to big.

As an entrepreneur myself, I know that being a small business owner can be a uniquely isolating and stressful experience. You've invested your heart, soul and savings in a dream (and often your friends' and family members' savings, too). It can weigh on you to have so many people counting on you, and SCORE mentors offer an ear to bend when this nation's job creators are having those sleepless nights. They offer the comfort that only someone who has stood in their shoes can provide. The volunteers of SCORE share their successes and their failures, so the next generation can learn from their example.

Ten and a half million entrepreneurs strong owe these men and women their gratitude, and so do I. Happy golden anniversary SCORE. You've always been there for America's entrepreneurs – for the life of their business.

**CALIFORNIA STATE UNIVERSITY  
STANISLAUS**

**JOB ORDER CONTRACT BID #8947  
CALIFORNIA STATE UNIVERSITY,  
STANISLAUS  
One University Circle  
Turlock, CA 95382**

California State University, Stanislaus will receive sealed bid proposals in the **Mary Stuart Rogers Building, Room 290, until 2:00 pm Tuesday, September 16, 2014** at the above address, for furnishing all labor and materials for Project # 8947 Job Order Contract. In accordance with the contract documents, the proposals will be publicly opened and read in the Mary Stuart Rogers Building, Room 200.

This Notice to Contractors is for the award of a Job Order Contract (JOC). A JOC is a competitively bid, firm fixed priced, indefinite quantity contract. The scope of work includes a collection of detailed repair and construction tasks and specifications that have established unit prices. It is placed with the Contractor for the accomplishment of repair, alteration, modernization, maintenance, rehabilitation, demolition and construction of infrastructure, buildings, structures, or other real property. Work is accomplished by means of issuance of a purchase order against the JOC. Under the JOC concept, the Contractor furnishes all management, documentation, labor, materials, and equipment needed to perform the work. The JOC awarded under this solicitation will have a minimum value of \$50,000 and a maximum value of \$500,000. The University will have the option to increase the value by an additional \$1,000,000 for a possible contract value of \$1,500,000.

The term of the contract will be for 12 months. In the event that the contractor submitting the lowest responsive and responsible bid refuses to enter into a contract with the CSU if tendered, or, in the event that the con-

tractor materially breeches the JOC contract necessitating its termination, CSU reserves the right to award a second JOC under the same solicitation, provided such award is made within 120 days of bid opening.

Each bidder offering a proposal must comply with bidding provisions of Article 2.00 et seq. of the Contract General Conditions <http://www.calstate.edu/cpdc/CM/CGC.shtml> under Job Order Contracts, July 2013 & Supplementary General Conditions, July 2014. The bidder should familiarize themselves with all the provisions of the Contract General Conditions, especially Article 4.02 (c), regarding the prevailing wage rates laws and Article 2.02, regarding the necessity to prequalify with the Trustees. The completed forms must be filed ten (10) business days prior to the bid date. See Prospective Bidder Form 703.11 located on the internet for download:

[http://www.calstate.edu/cpdc/cm/forms/prequalification/pq\\_prequalification\\_of\\_prospective\\_bidders\\_703.11.pdf](http://www.calstate.edu/cpdc/cm/forms/prequalification/pq_prequalification_of_prospective_bidders_703.11.pdf)

The Trustees require the successful bidder to achieve a minimum three percent (3%) DVBE participation in contracting construction projects as established in the bidding documents. See provisions of General Conditions Article 2.12 & 5.05A-5. The Trustees are granting a DVBE participation bid incentive for this project for bid evaluation purposes only. Under the Job Order Contracting system it is not feasible to identify potential DVBE subcontractors at time of bidding, since the individual jobs are not known. However, the successful low bidder will be required to meet or exceed the DVBE participation requirement by identifying DVBEs to be utilized on each Job Order during the job order proposal submission phase after Contract award. Bidders must exceed the 3% DVBE participation requirement in order to earn this incentive. When used on combination, the DVBE incentive with the Small Business Preference, the cumulative adjustment shall not exceed \$100,000. Bidders shall contact the Trust-

ees’ DVBE Coordinator at [prittendon@csustan.edu](mailto:prittendon@csustan.edu)

DVBE Participation	Incentive
3.00% to 3.99%	None
4.00% to 4.99%	1%
5.00% to 5.99%	2%
6.00% or more	3%

As a condition of bidding, prospective bidders must attend a **MANDATORY** Pre-Bid conference. The pre-bid conference will be held on **Tuesday, August 26, 2014, at 10 a.m. in the South Dining Hall** located inside the Main Cafeteria Building (limited guest parking). The purpose of the pre-bid conference is to review the JOC concept, documents, bid considerations and to discuss JOC from a contractor’s viewpoint. Bidding documents may be obtained at or after the pre-bid conference by requesting them in person from Julie Anderson, Financial Services, free of charge. It will be the responsibility of each bidder to obtain a bid proposal package in sufficient time to fulfill requirements therein. Bid proposal packages are obtainable only by prequalified contractors, licensed in the State of California with a B license. It is advisable to notify Julie Anderson, Financial Services, Telephone 209-664-6592, of your intentions to attend this mandatory pre-bid conference.
