

SBE NEWS ALERT

Helping Small Businesses Grow Through Green Efforts

By Stephen Morris

Note: this post is by Donna J. Butler, SBA's Senior Sustainability Officer & Deputy Chief Operating Officer

SBA helps small businesses find solutions to make their operations run efficiently. That's why this Earth Day and every day SBA encourages small businesses to incorporate a green office environment. Whether it's changing to a more energy efficient lighting system, implementing a recycling program, or considering eco-friendly machinery—all of these techniques help to conserve energy and save money. SBA also helps entrepreneurs and organizations build on green ideas and turn them into a successful business.

Taking an Idea and Turning it Green

Small business owner Carina Whitham of California took her passion for renewable energy and used SBA's counseling services to help start an executive search firm Whitham Group Executive Search. Today, Carina's firm successfully recruits and places executives in the arenas of Solar, Wind, Biofuels, Biomass, Geothermal Energy and all other areas of renewables.

SBA also supports sustainability through initiatives such as the Regional Clusters Initiative—which combines a network of organizations and businesses in a geographic area that grow through increased collaboration, efficiency and innovation. SBA funded its initial clusters in collaboration with the Department of Commerce, the Department of Energy, the Environmental Protection Agency, and several other agencies. Regional clusters such

as Illinois Smart Grid, Clean Energy, and GreenMe are expanding thanks to the support from this initiative. Today, they are making their communities more sustainable and eco-conscious.

And for small business owners seeking to upgrade an existing facility with energy efficient upgrades or financing innovative eco-friendly tools—SBA.gov has a reference list of green financing and green certification options.

SBA Green Practices

SBA is also reinforcing green practices throughout its office culture. The Agency's priority goal for Fiscal

Grow Through Green Efforts

Continued from page 1

Year 2014 was to increase paperless loan processing. SBA succeeded with this goal and saw an increase in the use of paperless processing with both the 7(a) and 504 loan programs. The 7(a) program use increased from 72 percent to 90 percent and the 504 program use increased from 55 percent to 75 percent. Additionally, SBA is collaborating with the General Services Administration to ensure that SBA's Headquarters and Field Offices are housed in facilities that are energy and water efficient and are maintained with non-toxic and recycled content products. SBA has also reduced its greenhouse gas emissions from employee commuting by nearly 15% since 2010 in part through the increased use of mass transit and telework. This year, SBA initiated an agency-wide toner and ink

cartridge recycling program in partnership with the U.S. Postal Services.

Go Green and Thrive

Celebrate Earth Day today and everyday by adopting new environmentally sound practices for your business. SBA is here to help you grow your business and succeed in your green efforts. Visit our website or connect with our local offices and resource partners for your small business needs.

Visit SBE Website www.sbeinc.com

The screenshot shows the SBE website interface. At the top, there is a 'BUSINESS' banner with the text 'MARKETING IN A CHANGING MARKET'. Below this, there is a featured article titled 'Concerned about DBE Compliance?' with a sub-headline 'SBE helps businesses with targeted outreach to find the firms you need.' The article includes a photo of a man in a suit and a yellow excavator. To the right of the article is a sidebar with a 'BUSINESS' logo and a 'PULLING YOUR BUSINESS FORWARD' section. At the bottom right, there is a 'SKANSKA' logo.

BIDDING OPPORTUNITIES

** REVISED OPPORTUNITY **

Kiewit Infrastructure West Co.

Request for Subcontractor/Supplier Quotes from Disadvantaged Business Enterprises (DBE), Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), and all Other Business Enterprises (OBEs), Subcontractors, Professional Services, Material Suppliers, and Equipment Suppliers:

Project Owner: Department of Water and Power of the City of Los Angeles
Project Name: River Supply Conduit Improvement Upper Reach – Units 5 & 6 Project
Project Proposal Due: Tuesday, April 29, 2014 @ 2:00PM PDT
Subcontractor/Supplier Quotes Due: Tuesday, April 29, 2014 @ 2:00PM PDT

On behalf of the bidding entity (may include a JV), Kiewit Infrastructure West Co., a subsidiary of Kiewit Corporation (Kiewit), is bidding as a prime contractor for the construction of the project listed above and is seeking sub-quotes from DBEs, MBEs, WBEs, and all OBEs.

Kiewit is requesting quotes from interested subcontractors, professional services, material suppliers, and equipment suppliers. All responsive subcontractors must possess a valid California Contractor's license and provide acceptable insurance. Responsible subcontractors will be expected to provide bonding for 100% of their contract value. The subcontractors, professional services, material suppliers, and equipment suppliers must be able to accept all terms and conditions of the project under the subcontract.

Kiewit will conduct itself in good faith with all DBEs, MBEs, WBEs, and OBEs regarding participation on the project; utilizing the MBDA, U.S. SBA, California Supplier Clearinghouse, and/or CalTrans online resources.

We are accepting quotes for the following services/supplies: Acoustical Engineer, Geotechnical Engineer, Quality Control, Noise/Vibration Monitoring, Certified Arborist, Dumpster/Trash Service, Site Security, Hydro Test, Traffic Control / MOT, Aggregate, Cement and Concrete, Utility Material, Trucking & Hauling, Shoring and Underpinning, Excavation Support and Protection, Soil Treatment, Permeation Grouting, Storm Water Pollution Prevention Plan (SWPPP), H Piles Supply, Bored Pile, Instrumentation and Monitoring, Cathodic Protection, Manhole Covers & Frames, Asphalt Paving, Curb and Gutter, Irrigation System, Fencing, Planting, Landscaping Contractors, Concrete Reinforcing Installation, Concrete Reinforcing Supply, Cast-in-Place Concrete, Concrete Pumping, Precast Concrete Specialties, Welding Services, Steel Pipe, Hydraulic Valve, Basic Measurement and Control Instrumentation, Basic Electrical Materials and Methods, Grounding and Bonding, Electrical Identification, Conductors and Cable, Raceway and Boxes, Wiring Device, Lighting, Tunneling, Boring and Jacking, Microtunneling, Boring or Jacking Conduit, Steel Casing, Low Density Concrete, Grout, Pipes and Tubes, Valves, Piping Specialties, Mechanical Pipe & Fittings, Temporary Barriers & Enclosures, Sound Wall (design and install), Saw Cutting.

UNIVERSITY OF CALIFORNIA SAN FRANCISCO

ADVERTISEMENT FOR CONTRACTOR PREQUALIFICATION

Subject to conditions prescribed by the University of California, San Francisco (University), responses to the University's prequalification documents for a LUMP SUM contract are sought from bidders for the following:

MISSION BAY CVRB NUC MED CAMERA Project No. M2648 University of California, San Francisco

Prequalification of Prospective Bidders

The University has determined that bidders who will submit bids on this project must be prequalified. Prequalified bidders will be required to have the following California Contractor's license classification:

B - GENERAL BUILDING

GENERAL DESCRIPTION OF WORK:

The project consists of the following:

- Completing tenant improvements for the installation, by others, of a GE Nuclear Camera. Scope of work includes construction in a shelled space including mechanical, electrical, structural, metal studs, wall, floor and ceiling finishes. Tight coordination with the Nuc Camera supplier and installer is critical to the success of the project.
- Work includes installing lead lined walls in a hot lab and other spaces. Contract includes cutting through a methane barrier in a thick concrete slab around piles and caps and re-installing the methane barrier.

Completed rooms include but are not limited to a patient waiting room, hot-lab, injection room, nuc camera room and control room. Work also includes installing a clinic wide nurse call and code blue communication system as well as a security system.

Scheduling of all work must be done in a University clinic with level 4 infection controls. Noise controls

are mandatory and phases of the work must be done on weekends, and nights to void disrupting the clinic's health care providers, patients, and staff. All work must be done on highly urban site with no on-site parking or storage except in the construction areas.

Work also includes tenant upgrades to the clinic's check out area. Scope of work includes creating a temporary work area for the check-out staff, constructing hard wall barriers around the existing check-out area, installing air scrubbers, constructing a very sophisticated check-out counter and glass screens with very detailed and designed finishes including related finishes. All work in the check-out area must be completed on a very short and demanding schedule in order to least disrupt the users.

- All related and necessary construction work needed to complete the improvements as described and listed above.

Estimated construction cost is **\$700,000 to \$900,000.**

PREQUALIFICATION SCHEDULE

Prequalification Documents will be available beginning April 17, 2014 at **10AM** by requesting via e-mail to prequal@ucsf.edu with the following information: Company name, address, phone and fax nos. Please reference Project No. M2648 in the subject line. You will be sent an email with a link to register with the UC Supplier Registration and Sourcing (SRS) system in order to obtain the bidding document.

Questionnaires are to be completed by May 1, 2014 at **3 PM.**

Any questions or requests for clarifications or interpretation of the Prequalification Documents must be submitted in writing to **John Lewis**, Architect and Senior Project Manager – Capital Programs at email address john.lewis@ucsf.edu by **12 PM, April 24, 2014.** Questions received after the above-noted deadline may be answered at the discretion of the University.

Any person or entity not satisfied with the outcome of the prequalification must file a writ challenging the outcome within 10 calendar days from the date of the

University's written notice regarding prequalification determination. Any assertion that the outcome of the prequalification process was improper will not be a ground for a bid protest. However, the University reserves the right to accept late submissions and to request, receive, and evaluate supplemental information after the above time and date at its sole determination.

The dates, times, and location set for receiving and opening of bids will be set forth in an Announcement to Prequalified Bidders and Advertisement for Bids.

This project will be insured under an University Controlled Insurance Program ("UCIP") providing workers' compensation and employer's liability insurance coverage, commercial general liability insurance coverage, and excess liability insurance coverage for Work performed on or at the Project site ("UCIP Coverages"). All insurance policies required to be obtained by CM/ Contractor shall be subject to approval by University for form and substance. All such policies shall be issued by a company rated by Best as A- or better with a financial classification of VIII or better, or have equivalent rating by Standard and Poor's or Moody's.

The University reserves the right to reject any or all responses to Prequalification Questionnaires and to waive non-material irregularities in any response received.

All information submitted for prequalification evaluation will be considered official information acquired in confidence and the University will maintain its confidentiality to the extent permitted by law.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy.

CITY & COUNTY OF SAN FRANCISCO DEPARTMENT OF PUBLIC WORKS

REQUEST FOR QUALIFICATIONS AS-NEEDED ASBESTOS, LEAD AND INDUSTRIAL HYGIENE 2014 CONTRACT NO. APC14079

Department of Public Works (DPW), City and County of San Francisco (City) announces a Request for Qualifications (RFQ) for the provision of As-Needed Asbestos, Lead, and Industrial Hygiene Consultation Services on an as-needed basis. The Consultant shall provide all services, labor, materials, and equipment necessary to perform the work. A Consultant may submit a proposal on more than one of the RFQs for Asbestos, Lead, and Industrial Hygiene Consultation Services out for solicitation by DPW, but will be awarded only one contract.

In addition to as-needed Asbestos, Lead, and Industrial Hygiene Consultation Services, work may include hazardous materials surveys, abatement oversight, environmental mitigation monitoring, other hazardous materials assessments, dust and noise monitoring, indoor air quality studies and other related services.

Statement of Qualifications (Proposals) will be received at 1680 Mission Street, 1st Floor, San Francisco, California until 2:00 P.M. Pacific

Time, May 12, 2014. Consultants shall submit Proposals as required in the RFQ package. Late submittals will not be considered. Digital files of the RFQ Package may be downloaded at no cost at: www.sfdpw.org/biddocs. Notices regarding Addenda and other proposal changes will be distributed by email to Plan Holders. Additional information is available from the DPW's Contracts, Bid Opportunities and Payments webpage at: www.sfdpw.org

The City intends to award five (5) Master Agreements, each having a 5-year term and \$600,000 contract amount limit. Contract Service Orders (CSOs) will be issued during the first 3 years only. The last 2 years of the 5-year contract is to complete work only for CSOs authorized and issued during the first 3 years of the contract. This is an "as-needed" contract. Award of a contract neither guarantee all or a portion of the contract amount, nor does it guarantee that the projected amount of \$600,000 would be expended.

Rating bonuses will be applied as per San Francisco Administrative Code Chapter 14B. Certified Local Business Enterprise (LBE) firms are encouraged to submit proposals. The LBE subcontractor participation goal is 20%. Call Romulus Asenloo at 415-581-2310 for details. In accordance with Chapter 14B requirements, all Proposers, except those who meet the exception noted below, shall submit documented good faith

efforts with their proposals and must achieve 80 out of 100 points to be deemed responsive. Proposers will receive 15 points for attending the pre-proposal conference. Refer to CMD Form 2B for more details. Exception: Proposers who demonstrate that their total LBE participation exceeds the above subcontracting goal by 35% (i.e. 27% Total LBE Participation) will not be required to meet the good faith efforts requirements.

A pre-proposal meeting will be held on April 30, 2014 from 2:00 – 4:00 P.M. at the 3rd Floor Lunch Room, 1680 Mission St, San Francisco, California.

Questions regarding the RFQ must be submitted no later than May 6, 2014, by email to the Contract Manager at: Stanley.desouza@sfdpw.org

In accordance with San Francisco Administrative Code Chapter 6, no proposal is accepted and no contract in excess of \$400,000 is awarded by the City and County of San Francisco until such time as (a) the Mayor or the Mayor's designee approves the contract for award and (b) the Director of Public Works then issues an order of award. Pursuant to Charter Section 3.105, all contract awards are subject to certification by the Controller as to the availability of funds.

UC SAN FRANCISCO MEDICAL CENTER

ADVERTISEMENT FOR BIDS

Subject to conditions prescribed by the University of California, San Francisco Medical Center, sealed bids for a lump-sum contract are invited for the following work:

**Ambulatory Care Center (ACC) P8 Level
Emergency Generator System Upgrade
Project Number: 07-376
Contract Number: L00163**

Description of Work: Install Two (2) 600 kva emergency electrical generators on the P8 level of the Ambulatory Care Center Building.

THE ESTIMATED CONSTRUCTION COST OF THIS PROJECT IS \$ 6,000,000.

The University previously advertised for prequalification of General Contractors and Electrical subcontractors and would have used the Best Value selection methodology for this project. The University has withdrawn the prequalification requirements and is bidding this project with Bidder Qualifications for a Lump Sum Contract.

BIDDER QUALIFICATIONS: To be allowed to submit a bid, Bidders must have the minimum experience and certify their firm has not been cited by the Medical Center for health, safety, infection control or interim life safety violations, set forth in the Supplementary Instructions To Bidders.

Procedures: Bidding documents will be available on **Monday, April 14, 2014 at 10:00 AM**, and will be issued only at:

UCSF Documents, Media & Mail (UCSF-DMM)
1855 Folsom Street, Room 135
San Francisco, CA 94103
Contact Persons: Ben La (415) 476-5030 (9AM – 5PM)
Customer Service Line (415) 514-2054 (before & after working hours)
Fax No. (415) 476-8278

Bidding Documents and complete advertisement can be viewed and may be ordered on line at the following website address: <http://www.ucsf-plans.com/>

Bidders and 1st tier Electrical (C-10) subcontractors must attend a **mandatory** pre-bid conference on Tuesday, April 22, 2014 at 9:00 AM. For details, see above website address.

Bidders must submit qualification documents in a sealed envelope by **2:00 PM, Tuesday, May 6, 2014**, at:

Office of Design and Construction, University of California, San Francisco, Medical Center, 3333 California Street, Suite 115, San Francisco, CA 94118. Phone: (415) 885-7257. Bidders will be notified whether or not they are allowed to submit a bid for this project within five (5) business days of the due date of the qualification documents.

Bids will be received only at Office of Design and Construction, University of Cali-

fornia, San Francisco, Medical Center, 3333 California Street, Suite 115, San Francisco, CA 94118. Phone: (415) 885-7257. **Bid Deadline:** Sealed bids must be received on or before **2:00 PM, Monday June 2, 2014**. And Bids will be opened after **2:05 P.M.**

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.

The successful bidder and its subcontractors shall use University purchased Labor Compliance software, LCP Tracker, to enter certified payrolls on a monthly basis.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

The successful Bidder will be required to have the following California current and active contractor's license at the time of submission of the Bid: GENERAL BUILDING CONTRACTOR, B.
