San Francisco Travel Association seeks applications for Neighborhood Partners Program

San Francisco Travel Association is seeking applications and nominations for the fifth year of its Neighborhood Partner Program. Candidates must be unique "San Francisco" businesses that are of interest to visitors and not currently San Francisco Travel partners.

The Neighborhood Partner Program strives to extend the economic impact of San Francisco's tourism industry into the city's diverse neighborhoods and involve more businesses located outside the traditional visitor areas in San Francisco Travel's programs.

"The purpose of this program is to get businesses in our diverse communities more involved in San Francisco's overall tourism industry," said Joe D'Alessandro, president and CEO of San Francisco Travel. "By reaching out to businesses beyond the usual areas, we can help expand the impact of the tourism industry to more neighborhoods."

Each recipient is granted a complimentary two-year San Francisco Travel partnership, including benefits such as listings online and in publications and access to the Convention

Calendar. The grants also include admission to San Francisco Travel events such as the Annual Luncheon, Market Briefings, Outlook Forums and Partner Business Exchanges, often with exclusive one-on-one meetings with the presenters. The Neighborhood Partners Program participants receive individual mentoring by the association's professional staff and experienced San Francisco Travel partners.

The deadline for applications or nominations is March 15, 2014. The application is available online under "Application" at <http://www.sanfrancisco.travel/partners/202765821.html>. Applicants can submit their forms online or mail to David Newberry, San Francisco Travel, 201 Third St. #900, San Francisco, CA 94103.

The businesses selected for the 2014-16 class of Neighborhood Partners Program will be honored at San Francisco Travel's Annual Luncheon on June 19 at Moscone West.

The San Francisco Travel Association is a private, not-for-profit organization that markets the city as a leisure, convention and business travel destination. With more than 1,500 partner

businesses, San Francisco Travel is one of the largest membership-based tourism promotion agencies in the country. Tourism, San Francisco's largest industry, generates in excess of \$8.9 billion annually for the local economy and supports over 74,000 jobs.

The San Francisco Travel business offices are located at 201 Third St., Suite 900, San Francisco, CA 94103. In May 2014, the offices will move to 1 Front St., Suite 2900, San Francisco, CA 94111. Phone numbers and email addresses will remain the same.

San Francisco Travel also operates the Visitor Information Center at Hallidie Plaza, 900 Market Street at the corner of Powell and Market streets. For more information, call 415-974-6900 or visit www.sanfrancisco.travel.

A Joint Venture

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers

Sixth Street Viaduct Replacement Project

City of Los Angeles

Department of Public Works

DBE Goal: 23.95%

Subcontractors scope due on or before

March 25, 2014 – 1:00PM

The City of Los Angeles is replacing the existing Sixth Street Viaduct over the Los Angeles River and U.S. 101. The 3,500-foot long Viaduct was constructed in 1932, but in the last 80 years concrete elements of the Viaduct have cracked and deteriorated as a result of an internal chemical reaction known as ASR. Skanska-Stacy and Witbeck a Joint Venture (SSW) will construct a Viaduct replacement to current standards utilizing a unique design by HNTB. SSW was selected as the CM/GC for the project.

SSW is interested in soliciting in Good Faith all qualified contractors, including certified Disadvantaged Business Enterprises (DBEs), for subcontract opportunities tied to early work on the project. The early work specifically includes enhancements at several street intersections surrounding the Sixth Street Viaduct to accommodate traffic detours that will occur during the construction period.

All interested contractors are encouraged to view plans and specifications for the early work and to consider submitting bids/quotes to SSW for all, or distinct elements of, the early work scope. SSW will consider breaking out scope packages and adjusting schedules to help permit maximum DBE participation. Plans and specifications are available for review at SSW's main office in Riverside or by download through the internet.

You can request a link to access the download, or to visit the Riverside office plan room, by emailing your contact information to RSVP4SSW@JHCAgency.com.

Quotes requested for contractors, suppliers and service providers include, but are not limited to:

Security services, quality control testing, surveying, traffic control, demolition, concrete forming, concrete supply, pumping, placing and finishing, trench covers, signage, electrical and traffic signal, earthwork, tree planting and removal, asphalt paving, concrete paving, pavement marking, tactile warning tile, detectable warning tile, traffic barriers, chain link fence/gates, utility relocation, construction area signs, temp fencing, cold plane, storm water pollution prevention, iron workers and electricians.

Key Subcontracting Requirements:

- Insurance:
 - ✓ Commercial General Liability (GL): \$1M each occurrence
 - ✓ Commercial Auto Liability: \$1M
 - ✓ Workers Compensation: \$1M
- Performance / Payment Bonds:
 - ✓ Full subcontract amount (SSW will pay bond premium up to 2%)
- Tradesworkers:
 - ✓ SSW is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters & Teamsters.
 - ✓ Weekly Certified Payroll required.

Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies.
