

# Martin Luther King Jr. Day of Service 2017

By MLKDay.gov

January 16, 2017, is a day on, not a day off! The Martin Luther King Jr. Day of Service is a way to transform Dr. King's life and teachings into community service that helps empower and strengthen local communities. We provide tools and resources for organizations and individuals to become engaged in service activities to honor Martin Luther King Jr. on the federal holiday, including grants to organizations to support volunteer projects across a state or throughout a multi-state area.

Please visit the MLK Day of Service website at MLKDay.gov for more information on how you can get involved and make the Martin Luther King Jr. Day of Service a day on, not a day off!

Dr. Martin Luther King Jr. once said, "Life's most persistent and urgent question is: 'What are you doing for others?'" Each year, Americans across the country answer that question by coming together on the King Holiday to serve their neighbors and communities.

The MLK Day of Service is a part of United We Serve, the president's national call to service initiative. It calls for Americans from all walks of life to work together to provide solutions to our most pressing national problems.

MLK Day is a chance to start the year off right by making an impact in your community. Join the hundreds of thousands of people who serve on MLK Day and throughout the year. Find a project in your community or register your own project so that volunteers can find it. What are your plans for MLK Day? Share your plans and share your project's impact after MLK Day.

The MLK Day of Service has inspired hundreds of thousands of Americans to come together for the start of a year of citizen action. If you have been one of the citizens taking action, we hope you are equally as inspired to continue serving in your community. Take a look at what we all have accomplished together.

Citizens in all fifty states delivered meals, refurbished schools and community centers, and collected food and clothing. Volunteers also recruited mentors, supported job-seekers, built

homes and provided other services for veterans and military families, and helped citizens improve their financial literacy skills.

As the agency charged with leading the MLK Day of Service, the Corporation for National and

**IS SOLICITING COST PROPOSALS FROM NEW YORK STATE CERTIFIED MWBE SUBCONTRACTORS/VENDORS**  
**North River WWTP Cogeneration and Electrification Project**  
 NYC Department of Environmental Protection Contract No. NR-38  
 Bid Date: February 8, 2017

**Description of project:**  
 The contract includes the installation of a cogeneration system of five cogenerating engines, heat recovery, exhaust treatment, noise reduction, and other auxiliary equipment that will supply combined heat and power to the WWTP. The city has preselected the equipment that will constitute the cogeneration system to be installed under this contract (the "pre-selected equipment") and has entered into a supply and services contract with the designated supplier of such equipment. The contractor will be required upon notice to proceed to enter into a contract with the designated supplier for the purchase and performance of the pre-selected equipment. The contract also includes removal of (5) five main sewage pump combustion engines and drive systems, removal of (5) five multi-stage process air blowers, installation of (5) five three-megawatt generators, installation of new heat recovery and dissipation systems and associated equipment required for the cogeneration system, installation of (1) one new main sewage pump, piping and valves, and a complete pump power train (PPT) for each of the (6) six main sewage pumps. The PPT includes, at a minimum, electric motor, motor controller, shafting, speed reducers, and intermediate line shafting.

**Subcontracting opportunities include, but are not limited to:**  
 Instrumentation, Mechanical, Demolition-Mechanical, Demolition-Structural, Demolition-Electrical, Demolition-Architectural, Pump Supply, Valve Supply Piping Supply, HVAC, Plumbing, Fire Suppression, Fire Alarm, Electrical, Switch Gear Supply, Concrete Surface Repair, Concrete Joint Repair, Concrete Crack Repair, Structural Concrete, Concrete Reinforcing, Container Services, Doors, Louvers, Flood Doors, Terrazzo Flooring, Concrete Topping, Flood Protection, CPM, Masonry, Miscellaneous Metals, Railings, Structural Steel, Fill Materials, Hauling and Disposal, Signs, Cleaning, System Integration, Material Testing, Operation and Maintenance Manuals.

**IS SOLICITING COST PROPOSALS FROM NEW YORK STATE CERTIFIED MWBE SUBCONTRACTORS/VENDORS**  
**Enhanced Station Initiative Program Package 2 Project**  
 MTA New York City Transit Contract No. A-36622B  
 Bid Date: February 7, 2017

**Description of project:**  
 The work focuses on improving the customer experience, the continued responsibility of providing a state of good repair in stations, and the development of underlying station aesthetics through construction and design innovation. The work will include make the stations cleaner, brighter, and easier to navigate, by utilizing means such as improved lighting and more intuitive way-finding and will provide amenities such as Wi-Fi and cellular connectivity. This will involve architectural finishes (including painting and signage), structural repairs and modifications, electrical (including lighting, communication, and technology) and mechanical work. The contractor shall undertake the work so as to achieve all the following overall goals:

- Enhance the customer experience at each station
- Make the stations cleaner, brighter, and easier to navigate
- Improve the aesthetics of the stations
- Facilitate increased ridership on the New York City Transit System
- Bring the stations to a state of good repair
- Expedite the delivery of the work

**Subcontracting opportunities include, but are not limited to:**  
 Detectable Warning Tile, Hollow Metal Door Supplier, Subway Furniture, Fare Array Glass Material, Metal Ceiling, Floor Scrubber Machines, Platform Edge Materials, Canopies, Dashboard, Handrails, AFCs, SS Guardrail, SS Handrail, CICs + Map Frames, Cast Alum Treads, Dumpsters, Field Office Equipment, Abatement Subcontractor, Token Booth Subcontractor, Painting Subcontractor, Tile + Stone Subcontractor, Cleaning, Crack and Spall Repair, Electrical Subcontractor, HVAC Subcontractor, Plumbing Subcontractor, Survey Subcontractor, Testing and Inspections.
